Dear Donor,

Thanks to you for your generous support of The Sharing Place food pantry during this difficult time! We are additionally most grateful to Sustainable Jersey City (SJC) for utilizing its cadre of talented volunteers to initiate this fund-raising effort through ioby.org (in our backyards). In addition to raising over \$5000 for food, SJC was able to refer us to a relationship with Table to Table, a community based food rescue program. Table to Table was able to deliver 2 large pallets of green beans and red onions for our April food distribution, affording over 200 families the benefit of fresh produce. We now look forward to a continued relationship with this wonderful organization. The Sharing Place has benefited greatly from this campaign - we continue to be amazed at the exponential benefits of grassroots, non-profit entities working together to provide services to our community. We are truly "in this together". We send our warmest thanks to you for the service you have rendered through your gift.

In hope and aspiration,

Darlene Wyzga
